

# Optima Visitor Chair

## Posture shaped inners to provide the basis of excellent comfort

**The modern, compact, no-fuss style of the Optima offers all the elements of a comfortable and lasting chair.**

The strong tubular frame is designed to give long-term strength and support under constant use. This great value chair is ideal for auditoriums, offices, waiting areas, shops, hotels, motels, institutions, restaurants, function rooms and reception lounges.

### Features

- The frame is of welded steel design providing a strong stable structure which will give long service life in constant use.
- Seat and backrest components incorporate posture shaped inners to provide the basis of excellent comfort.
- Practical carrying recess.
- Provides excellent support and a high degree of individual comfort.
- Seat design eliminates the need for stitched upholstery.
- Neat compact dimensions, perfect for where space is at a premium.
- Powdercoated frames cured to resist chipping and scratching.
- Fully upholstered in commercial-grade fabric, making for easy maintenance.
- Chairs stack up to six high for easy storage.
