Supporting Students' Wellbeing

Research shows 1/3 of the classroom suffer from mental health challenges, sensory conditions or a neurodevelopmental condition.

From biophilic design and colour selection, to furniture types and layouts, we're exploring ways on how we can better support the next generation.

Get in touch today to see how we can help you create healthy and happy learning spaces.

MINDFUL COLLECTION

Laylow Raft

The Laylow Raft can be folded, coiled or curled to create personal or shared spaces. Upholstered in contrasting textures allows students to decide their sensory experience.

Hideaway Hood

The Hideaway Hood provides a personal refuge for kids in search of sanctuary. Creating the space to carry out a solo task, take a break or just reset.

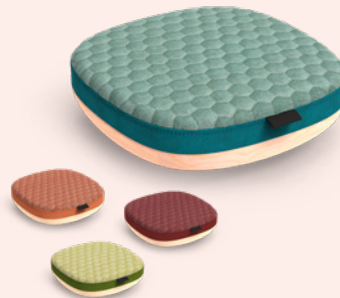

Learning Hut

The Learning Hut provides a refuge space for up to 4 students to gather and collaborate together, free from distraction. Separation without isolation.

Rocking Perch

The Rocking Perch inspires rhythmic movement while the ridged seat pad creates a sensory experience, giving students the ability to self-regulate and be in control of their wellbeing.

Wobble Seat

The Wobble Seat provides dynamic movement allowing students to rotate, tilt and stay active in a stationary environment. Comfort and focus in one.

Laylow Pad

The Laylow Pad creates a comfortable and personal area for sitting or lying. Upholstered in contrasting textures allows students to decide their own sensory experience.
