

# Postura® Plus Sled Base Stool

## Perfect for tiered, interactive and collaborative learning environments

Australia's number one student chair, Postura®, is also offered as a stool. Designed with ergonomics and durability in mind, the Postura® Plus Sled Base Stool is a simple yet stylish solution for modern learning environments.

The Postura® Plus Sled Base Stool teams up perfectly with benches in Libraries, Science Labs and Classrooms. They're ideal for tiered learning environments to encourage collaboration, and the premium polypropylene shell and strong fully welded steel frame will ensure that these stools stand up to the rigours of constant use.

### Features

- Ergonomic and comfortable.
- Perfect lumbar position for sitting for long periods of time.
- The ultimate stool for durability and versatility.
- The larger Postura® Plus shell offers a seat suitable for senior students and adults alike.
- Sturdy one-piece gas injection moulded shell.
- Back ventilation is suitable for warm climates.
- Easy to clean, anti-static polypropylene stays cleaner and looks better longer.
- Lightweight, allowing students to move around with ease.
- Stacks up to five stools high for easy storage.
