

Round Ottoman

Create tiered settings and reclaim unused space in large areas

Round Ottomans can be used to create tiered settings, intimate or large group collaborations or reclaim under-utilised space in hallways, classrooms and breakout areas.

The small footprint of the ottoman allows this piece to travel around the room as extra seating when needed. Round Ottomans can be used to create tiered settings, intimate or large group collaborations or reclaim space in hallways, classrooms and breakout areas.

Features

- Available in durable woven fabrics and easy-to-clean vinyls.
- Designed to compliment our larger Smart Softies[™] range to crate tiered seat settings.
- Lightweight enough to be moved with ease.
- Sits on tough moulded floor guides.
- Versatile shape to create a variety of configurations suitable for your specific learning modality.
- High density foam padding for exceptional comfort.
- Durable frame to withstand rigourous use.
