Built to last, our Sunlounge is perfect for any poolside, beachside or outdoor venue, ensuring durability and maximum comfort. Our Sunlounge has been loved by hotels, resorts, aged care facilities and leisure centres worldwide for decades.

Leave it out anywhere - in the sun, the rain, or on cold nights! Even pool chemicals will not harm it. Engineered to be ultra-durable, our Sunlounge will last a long, long time even in the harshest of climates.

Its sculptured shape and unique design are the result of intensive research and development, offering user comfort and support in all the correct places – the knee, lumbar, back, shoulders and legs, and at all four height positions.
