

Integra Chair

Virtually indestructible, one piece polypropylene chair

Specifically designed for intensive use applications, the iconic Integra chair can take a tonne of punishment and still look great. Unrivalled in strength and durability, the Integra has been the chair of choice for prisons, institutional facilities, schools, universities, churches, community halls, recreational and sporting applications as well as alfresco dining.

FEATURES

- >Australian made from quality materials resulting in a quality chair that's been designed and engineered for intensive use.
- >No assembly is required from this one piece fully injection moulded chair with solid leg construction.
- >Made from tough, hard wearing polypropylene with reinforced ribbing to provide structural strength and controlled flexing while ensuring superior comfort.
- > Supports a static seated load of 450kg.
- >The high-tech polypropylene is stain resistant and contains anti-static and UV stabilisers.
- >Smooth ungrained surface enhances appearance and allows for low maintenance & easy cleaning.
- > Light in weight, easy to move, yet strong & durable.
- >Chairs can be stacked up to 15 high for easy storage, & manoeuvred easily with the use of the Integra chair trolley.
