Engage and connect with our Progress Chair

Australia's favourite mass seating chair. Linkable, stackable and lightweight, Progress provides you with a generous sized seat for serious comfort and support for all your functions, community gatherings and events. From community halls to churches, universities, auditoriums and waiting rooms, Progress is the perfect choice.

Proudly Australian made and unrivalled on durability and comfort, it's understandable why progress is the go-to choice when bringing people together.

The versatility and flexibility of Progress is endless – we can link, add arms, add a tablet, add a seat or back pad, provide full upholstery and even hot stamp or embroider your logo on the chairs!

FEATURES

- Versatile injection moulded high impact polypropylene seat.
- Anti-static, stain resistant and UV protective.
- Engineered to withstand the rigors of constant commercial use.
- Superior level of comfort in both its ample width and its live hinge moulded into the backrest which responds to the individual, assuring maximum comfort with good lumbar support, even over the longest sitting periods.
- Aluminium legs makes it extremely lightweight.
- Stacking ability minimizes space required for storage, recommended maximum of 12 high or 6 high with tablet arm.
- Stacking storage suitable with the Progress Chair Trolley.
