

Postura® Focus 4 Leg Stool

Ergonomically designed for tiered learning environments

Designed with ergonomics and durability in mind, the Postura Focus 4 Leg Stool is a simple yet stylish solution for modern learning environments. Available in a range of heights and an array of colours, it's the ideal stool for any tiered learning space from primary school right up to university.

The Australian made recyclable high quality polypropylene seat shell is combined with a fully welded steel frame with foot rail to provide strength and durability for the rigours of demanding school use.

FEATURES

- Available in a wide range of fun and exciting polypropylene colours.
- All welded steel frame with foot rail finished in chip resistant Warm Grey powder coat.
- Australian made seat shell is manufactured from easy to clean and highly durable and recyclable polypropylene.
- Stackable up to 8 stools for convenient storage.
