

Postura[®] Plus Reverse Cantilever Chair

Serious comfort with style

Australia's number one student chair the Postura[®] also comes in a Reverse Cantilever Chair.

Based on the genuine science behind the original Postura[®], the Postura[®] Plus Reverse Cantilever Chair is designed to be ultra-durable, stylish and seriously comfortable for long sitting times. Its superior ergonomics coupled with the practical reverse cantilever base makes it perfect for learning spaces and training rooms.

The premium durable shell and strong fully welded reverse cantilever steel frame will ensure that these chairs stand up to the rigours of constant use. Plus, they are light, stain resistant, anti static and easy to clean.

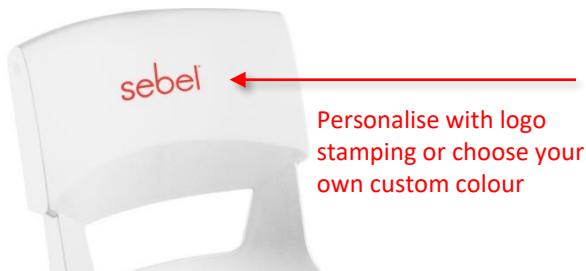

FEATURES

- Provides an ergonomic and comfortable floating feeling due to the reverse cantilever design.
- Perfect lumbar position for sitting for long periods of time.
- Stackable and lightweight for students to move around (stacks to 5 high), or stack over the edge of a desk or table for floor cleaning.
- Sturdy one-piece gas injection moulded shell.
- Back ventilation suitable warm climates.
- Easy to clean, anti static polypropylene stays cleaner and looks better longer.
- Optional seat pad available in a wide selection of fabrics.
