

Create-A-Bench with Compact Laminate

Ultra durable benches for student exploration and experimentation activities

Highly durable with long lasting moisture resistant compact laminate tops, our Create-A-Benches are ideal for student exploration and experimentation making them the perfect bench solution for science labs and art rooms.

With fully welded steel frames, they also offer a high level of stability and strength without interfering with stools or people standing at it.

FEATURES

- Easy to clean long lasting and durable moisture resistant 13mm compact laminate top
- Fully welded 4-legged steel frames offer stability without interference to stools or people.
- Multiple sizes available to fit most space or room applications.
