

Focus Table

Versatile round collaborative student table

The Focus range of tables are ideal for use in almost any situation, being round in design, these tables allow you to adapt your classroom for Project based Learning (PBL) and enhances group learning and interaction. The design is also practical and space saving, there is no interference with occupants' knees and minimum obstruction at floor level. The contemporary single column and all welded powder coated steel base is easy to clean and suitable for indoor use. Featuring adjustable floor tips, so that if a floor surface is uneven, the floor tips can be adjusted to suit the uneven surface.

FEATURES

- Low maintenance and easy to clean Rigid Edge laminated tabletops.
- Adjustable floor tips assist in levelling the table on uneven floor surfaces.
- Durable and versatile steel powder coated column and legs.
- Warm Grey frame only.
