

Smart Softies™ Trap Ottoman

Super smart system that's flexible, functional & fun

How can something so clever be so comfy?

Sebel soft furnishings bring people together. They're more collaborative, cosier, colourful and cool - and we've just made them a whole lot smarter.

Smart Softies™ have been designed from the inside out to be eco-friendly, seriously durable, super comfy and so flexible you can reinvent spaces as often as you like.

Perfect for libraries, break out spaces and resource centres.

FEATURES

- **Smart Patented Eco-struts** made from 100% recycled polypropylene and manufactured in Australia, creating sturdy yet light-weight ottomans
- **Smart Designs** with angled backrests for greater comfort, superior ergonomics and support, and base heel relief for a sleeker look and less scuffing
- **Smart Durability** with high quality dual-density foam padding, CNC cut timber panels, strong Eco-Struts and heavy-duty castors
- **Smart Teamwork**, designed with modularity and maneuverability in mind. Easily configure into numerous collaborative and individual settings with heavy-duty castors with rear locking brakes for easy placement

OPTIONS

- Available on heavy-duty castors only.
- Available with low backrest options, on the external (long) or internal (short) edges.
- Wide selection of upholstery options.
- Seat backs are available in different fabric from the seat.
