

Postura[®] Plus 4 Leg Stool

Perfect for tiered, interactive and collaborative learning environments

Australia's number one student chair the Postura[®], is also a Stool. Based on the genuine science behind the original Postura[®], these stools are designed to be ultra durable and seriously comfortable. Plus, they're light, stackable, stain resistant, anti-static and easy to clean.

Ideal for creating tiered, interactive and collaborative learning environments, they're perfect for classrooms, libraries and science labs.

The premium polypropylene shell and strong fully welded steel frame will ensure that these Stools stand up to the rigours of constant use. And being a Postura[®] Plus means that the shell is big enough for senior students and adults alike.
