

The image shows a bright, modern school interior. In the foreground, a curved wooden bookshelf is filled with books and has a small table with pens and books on top. Next to it is a green modular sofa and a matching ottoman. In the background, there's a playhouse, a green armchair, and a bookshelf. The walls are light wood and white, with large windows and doors. The floor is dark grey carpet. The overall atmosphere is clean, organized, and child-friendly.
