

Integra Chair

sebelTM

A true icon of Australian design since 1973. Strength, simplicity & versatility.

Crafted from durable, UV-stabilised polypropylene, the Integra Chair is designed to withstand the rigours of daily life.

Its reinforced ribbing provides structural strength and controlled flexing for comfort, while the smooth, ungrained surface is stain-resistant and easy to clean. Lightweight yet sturdy, it supports a static seated load of up to 450kg.

A popular chair amongst leisure centres, sporting grounds, correctional facilities and educational spaces.

Features

Made from tough, hard-wearing polypropylene with reinforced ribbing to provide structural strength and controlled flexing while ensuring superior comfort.

Supports a static seated load of 450kg.

Easy-to-clean, anti-static polypropylene stays cleaner and looks better longer.

The high-tech polypropylene is stain resistant and contains UV stabilisers.

Light in weight, easy to move, yet strong and durable.

Chairs can be stacked up to 15 high for easy storage. Manoeuvre easily with the Integra Chair Trolley.

Dimensions

Seat Height	Width	Depth	Overall Height
450mm	510mm	560mm	810mm
