

LUMBA™ Chair

sebelTM

Experience exceptional comfort and support with LUMBA™

LUMBA™ is the next-generation seating solution, designed to combine advanced ergonomic comfort, sustainable innovation and unparalleled durability.

Purposefully designed to help students stay focused and engaged for longer, its wide seat and flexible lumbar support offer all-day comfort, while injection-moulded polypropylene

provides lasting strength and adaptability. LUMBA™ is available with links, arms and padded seat and back.

Features

Sustainably crafted polypropylene seat shell containing a minimum of 50% recycled plastics (percentage varies by colour).

Intuitive support - the patented flex block moulded into the back, provides flexible lumbar support that moves with you for additional comfort.

Lasting comfort - generous seat size and improved seat contour for ergonomic performance.

Non-marking PP floor glides.

Lightweight and moveable - aluminium powder coated legs with rear leg geometry providing further stability.

Strength and flex - airbridge provides additional strength and flex for added comfort.

Stain resistant and easy-to-clean textured seat shell.

Chairs can be stacked up to 15 high for easy storage.
