

Ned Stool

sebelTM

Durable, Lightweight and Stackable

The sustainable Ned Stool creates a welcoming environment by providing flexibility and functionality for individual time, small group learning or classroom reading time.

Features

- Lightweight material, making it easily stackable.
- Footrail cutout for students to sit comfortably.
- Grab handle which allows for it to be easily moved around the room.
- Made from UV-stabilised polypropylene, great for outdoor use.

Colour options

Tried and tested, the Ned Stool can handle the tough love from kids, both indoors and outdoors. This stool is stacks of fun wherever and however kids learn.

Available in a range of biophilic colours, the Ned Stool also brings colour into any learning space.
