High performance and superior ergonomics

When you need to seat a crowd without sacrificing comfort or efficiency, the Postura Plus® 4 Seat Auditto Unit delivers.

Features

Ergonomic lumbar design, for comfortable sitting over long periods of time.

Back ventilation for the warm climates.

Easy to clean, anti-static polypropylene stays cleaner and looks better longer.

The single-injection moulded polypropylene design is made for durability.

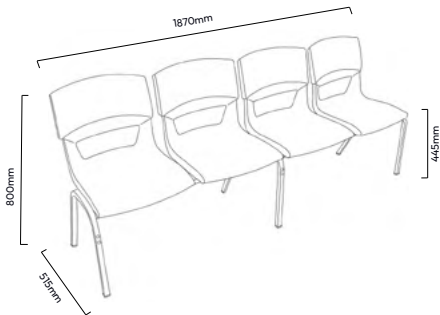

Stacks up to 8 units high. Stack units can easily be moved and stored using the Postura Plus® 4 Seat Auditto Trolley.

Designed for high-traffic spaces like assembly halls, lecture theatres, and community venues, this four-seat beam unit combines the ergonomic comfort of Sebel's iconic Postura Plus® chair with the practicality of mass seating.

Each seat features a single-piece, injection-moulded polypropylene shell with an ergonomic lumbar design and back ventilation, ensuring comfort during extended periods of sitting.
