

Postura Plus® Drafting Stool

sebel
TM

Mobile Ergonomic Seating for Dynamic Learning Environments

The Postura Plus® Drafting Stool is designed to provide ergonomic support and comfort for senior students, educators, and professionals.

Features

- Hard-wearing adjustable height chrome foot ring.
- Back ventilation for the warm climates.
- Easy-to-clean, anti-static polypropylene stays cleaner and looks better longer.
- The single-injection moulded polypropylene design is made for durability.
- Back ventilation is suitable for warm climates.

Colour options

The colours shown have been reproduced to represent actual product colours as accurately as possible, however actual colours may vary. We recommend contacting your Sebel representative for a sample swatch for comparison prior to ordering. For more information or samples, contact your Sebel representative, or [email sales@sebel furniture.com](mailto:sales@sebel furniture.com)

Its height-adjustable feature accommodates various user preferences, making it ideal for classrooms, laboratories, and office settings.

Equipped with a sturdy five-point base and smooth-rolling castors, the Postura Plus® Drafting Stool ensures stability and mobility across different floor surfaces. Its anti-static surface resists dust accumulation, maintaining a cleaner appearance over time.
