

Postura® Plus Linking Chair

sebelTM

Ergonomic, Stackable Seating for Senior Students and Venues

The Postura® Plus Linking Chair is designed to bring order and flexibility to spaces like assembly halls, lecture theatres, and auditoriums.

Features

Moulded links on the side of the chair allow multiple chairs to be linked together in a row.

Extra large lumbar air ventilation in the backrest.

New flexing air bridge supporting the chair.

Anti-rocking system, designed to resist rocking backwards.

The single injection moulded polypropylene design is made for durability.

Anti-static polypropylene stays cleaner for longer and is easier to clean.

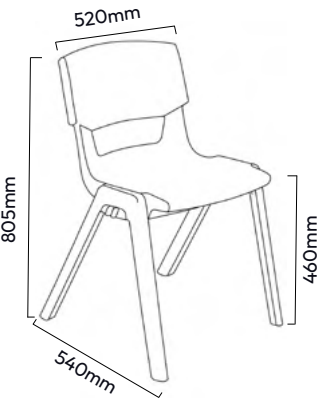

Stacks up to a recommended 12 chairs on the floor (size 6 equals 1870mm high).

Stacked chairs can easily be moved using the Postura® Trolley.

With integrated linking mechanisms, these chairs connect effortlessly, creating neat, stable rows that are perfect for events and gatherings. Their lightweight, stackable design ensures easy setup and storage, making them a practical choice for dynamic environments.

Dimensions

Seat Height	Width	Depth	Overall Height
460mm	520mm	540mm	805mm
